**Terms and Conditions**

Permit and inspection fees are not included in the proposed price shown above. Jobs requiring permit(s)/inspection(s) may take up to three (3) days to complete and related fees will be added to the final billing. If any digging is required, company will coordinate with Utility and Customer will accommodate the marking process. Customer is responsible to locate and clearly mark any private underground utility lines. Cargas Energy is not responsible for any damage to unmarked private utility lines. Completion of this proposed work may be contingent upon the execution of other agreements with Cargas Energy, such as Propane Gas Customer Agreement(s) and Property Easement(s). This Proposal will expire on . By signing below, Customer agrees to the terms and conditions set forth by Cargas Energy in this Proposal.
